

## **Wireless Local Monitor**

**GENERAC® ACCESSORIES** 

Model 006664-0

Model 006665-0 Harness Adapter Kit required for use with liquid-cooled units with Nexus Controller

## **DESCRIPTION**

The Wireless Monitor provides truly wireless in-home generator status. About the size of a smart phone, this battery operated wireless device makes monitoring your generator easy and convenient.

\*This system is compatible with air-cooled and liquid-cooled models that utilize an LCD display, except H-panels, EcoGen and CorePower.

## **FEATURES**

- · Compact, sleek design
- · Magnetic back for refrigerator mounting
- Wall mount or desk mount options
- Red, yellow and green status indicator lights
- Buzzer function to alert owners when the generator needs attention
- Area for dealer contact information on the rear panel
- Tool-less battery cover for easy battery replacement
- 600-foot line of sight communication
- Three times the signal strength compared to previous models
- · Automatically paired at the factory to eliminate the need for in-field pairing
